
Harshita Tewari

Assistant Professor
C.C.R.P.G. College, Muzaffarnagar
harshitatewari18@gmail.com

Area of Expertise:

- Production Economics and Farm Management
- Social and Economic Impact Assessment
- Price forecasting

Education:

- **Ph.D. Agricultural Economics (Jan 2014- Dec 2017)**
Institute of Agricultural Sciences, Banaras Hindu University, Varanasi
Ph.D. thesis: Impact assessment of a Pioneer Variety (HUW 234) of wheat in Eastern Uttar Pradesh
 - Studied the growth of wheat over years in eastern Uttar Pradesh of India.
 - Identified leading varieties of wheat grown in the region.
 - Assessing the impact of HUW 234 on the productivity, inputs' demand and society.
- **M.Sc. Agriculture with specialization in Agricultural Economics (2010-2012)**
G.B. Pant University of Agriculture & Technology, Pantnagar
Grades: 86.67%
M.Sc. Thesis: An Economic Analysis of Tourism in Corbett Tiger Reserve
 - Studied socio economic profile, behaviour pattern and constraints faced by tourists visiting the Reserve.
 - Used **travel cost method** for estimating the recreational value of the Reserve.
 - Compared tourism intensity with the estimated carrying capacity of the reserve for each month.
- **Bachelor of Science in Agriculture (2006-2010)**
G. B. Pant University of Agriculture & Technology, Pantnagar.
Grades: 77.43%
Completed: Practical Crop Production with 86% (Duration: 1 year), Rural Agriculture Work Experience with 73 % (Duration: 6 months)

Teaching Experience:

- **Assistant Professor (Jan 2020-present)**
Department of Agricultural Economics
C.C.R.P.G. College, Muzaffarnagar, Uttar Pradesh
- **Assistant Professor (July 2013-Dec 2013)**
Department of Applied Sciences
Surajmal College of Engineering & Management, Kichha, Uttarakhand

Research Experience:

- **Research Associate (Jan 2018- Oct 2019)**
Improvement of pigeon Pea for Plant type, pod borer resistance and moisture stress tolerance
Division of Agricultural Economics, ICAR- Indian Agricultural Research Institute, New Delhi
Understanding varietal trait preferences, identifying production constraints and developing optimum regional plans
- **Senior Research Fellow (Mar 2016- Mar 2017)**
Network Project on market intelligence
Department of Agricultural Economics, Banaras Hindu University, Varanasi
Short term price forecasting, co integration, regional case studies on price movements and farmer's decision making

Programming and Computing Knowledge:

- **Language :** C++
- **Statistical package:** SPSS, E views, STATA
- Extensive use of Microsoft Office.

Achievements:

- Secured first rank in the batch of M.Sc. (Agricultural Economics).
- Qualified National Eligibility Test in Agricultural Economics conducted by Indian Council for Agricultural Research.
- Qualified National Eligibility Test in Economics conducted by University Grant Commission, New Delhi.
- Secured **Research Assistantship** at post graduation level.
